Mr. Silva,

The purpose of this message is to notify you that the performance suspension imposed by me via email on October 14, 2015 is hereby lifted, and you should resume performance of this contract. The HUBZone status protest was dismissed by the SBA on October 21, 2015 and the GAO protest B-410576.6 was dismissed on November 25, 2015.

In my notice of protest, I advised that you would have three days from the time the suspension was lifted to provide the required bonding. Bonding is therefore required by close of business on December 3, 2015.

Thank you,  
Tyrone Lewis, Contracting Officer
